Reference: October Quarterly Report (7/1/13-9/30/13)

Dear Mr. Furman:

The Friends of John Boehner is in receipt of your request for additional information, dated December 13, 2013 regarding its unitemized contributions on the October 2013 Quarterly report.

As reflected in this report, Speaker Boehner has immense support from small dollar contributors. Friends of John Boehner is aware that contributors who aggregate to more than \$200 in contributions during the election cycle are to be itemized on disclosure reports. The Committee understands that these itemizations should include the full name, mailing address, employer and occupation of each contributor. The Committee has confirmed with our data base vendor that there were no reporting glitches and can further confirm to the FEC that all contributions that were required to be itemized were, in fact, itemized on the report. Friends of John Boehner will continue to accurately report and itemize all such contributions on future reports.

The Committee believes that no further action is required at this time.

Sincerely,

Lisa Lisker  
Treasurer
